Agenda Item 10.0: Internet Service Provider Contract - Option to Renew

TO: Sacramento Public Library Authority Board

FROM: Gerry Calderón, Information Technology Manager

RE: Internet Service Provider Contract – Option to Renew

RECOMMENDED ACTION(S):

Adopt Resolution 14-01, authorizing the Library Director to renew the Internet Service Provider Contract with Consolidated Communications, formerly known as SureWest Broadband, for a period of one year in an amount not to exceed \$217,800.

REASON FOR RECOMMENDATION

In February 2011, the Authority Board approved a three-year contract with SureWest Broadband for Internet Services. The contract provided for an option to renew for two additional one-year terms. The recommendation is to exercise the second of two one-year contract renewal options, allowing the Library to continue receiving discounted Internet services under the Federal E-rate program through the end of FY 2014-15. Consolidated Communications continues to provide excellent service with no service interruptions.

FISCAL IMPACT

The annual cost for Internet Services is \$217,800. The budget for FY 2014-15 will cover the proposed contract extension.

The Library receives a discount of 71% for Internet Connectivity Services through the federally funded E-Rate program. An additional 50% discount is applied to the remaining amount due through the California Teleconnect Fund.
