Agenda I tem 7.0: Service Contract: Millennium Software Maintenance

TO: Sacramento Public Library Authority Board Members

FROM: Gerry Calderón, Information Technology Manager

RE: Contract Renewal: Millennium Integrated Library System

## **RECOMMENDED ACTIONS**

**Adopt** Resolution #12-27, A Resolution Approving the Renewal of the Annual Maintenance and Support Service Agreement with Innovative Interfaces, Inc., for the Millennium Integrated Library System (ILS) in an Amount Not to Exceed \$195,000.

#### **REASONS FOR RECOMMENDATIONS**

The Millennium ILS performs all functions associated with the purchase, inventory and lending of materials. The ILS also serves as the gateway to vast collections of online resources offering full text articles, and access to library catalogs participating in the Link+ system throughout California and Nevada.

Software Maintenance and Support Services are purchased annually to minimize service interruptions and to remain current with improvements to licensed products.

## **FISCAL IMPACT**

The Millennium maintenance support cost of \$190,304 is included in the Proposed Budget for FY 2012-13 adopted by the Board on May 24, 2012.

The migration away from Millennium to the new Sierra ILS platform will be completed during this period. Other than an adjustment based on the Consumer Price Index, no additional charges to the annual maintenance support costs are expected during FY 2013-14.
