Family / All Ages

Clay Creations

Friday, May 11, 3:30—4:30 p.m.

Come make your own creation out of real sculptor's clay! We will have beads, string, clay tools, and other accessories for you to mold, sculpt, and decorate your creation at this free, family program.

Kids

Read to a Dog

Tuesday, May 1, 3:30—4:30 p.m.

Love animals? Then come read aloud to a trained therapy dog from Lend-A-Heart. This is a great program for reluctant readers; the dogs are great listeners! Children may bring their own books or borrow from the library. School-age.

Don O'Brien Xtreme Science Magic

Friday, May 4, 3:30—4:30 p.m.

Come see amazing feats of science as extreme scientist, Don O'Brien, makes fire tornadoes, electromagnetic fields, bouncing bubbles, and more! School Age.

Teens

Teen Space

Wednesdays, May 2 & May 9, 3—4:30 p.m.

Looking for something fun to do after school? Need a place to hang out with your friends and have a snack? Come to the McKinley Library Teen Space. Join us for board games, crafts, computers, and more! Recommended for ages 10—14.

Adults

Knit and Craft

Wednesdays, 10 a.m.—12 p.m.

Join us each week for a morning of fiber arts fun. Participants can learn to knit or crochet, get advice, and chat with new friends. Don't forget your crafting supplies!

Sabrina's Craft Corner

Saturday, May 12, 2:30—3:30 p.m.

Learn a new craft technique every month, using simple household items and affordable materials. Join us in May as we roll two-color beeswax candles! This is an adult program, but children 8 and up are welcome.
