Children

Autism-Friendly Family Movie: "Sing" (2016, PG, 108 min, Universal) Come to a special family movie event for kids with autism and/or sensory disorders. "Typical" toddlers and preschoolers are welcome too! In the animated film "Sing", a koala impresario stages a gala singing competition in order to save his theater.

Summer Reading Programs

Summer Reading Kickoff: Fun, Food and More! Join our kickoff party for crafts and games plus balloon art, face painting, snacks and more. A perfect time to sign up for the "Reading by Design" reading program: you can read five books over the summer, either by yourself or with someone else, and win a prize!

Steve Cheney Presents: Design Your Puppet and Make Him Talk. It's ventriloquism with a touch of magic! Steve's comical show stresses the importance of reading and imagination using several puppets (including audience members in a hilarious sequence), songs, lots of audience participation and a magic trick or two with "Foster".

Alan's Scientific Adventure: Magic and Science. Would you like to experience magic that is real? Then join us to investigate a few of the wonders of the everyday world of science around you. You'll experience a *scientific adventure* where you learn the principles of physics and have a blast!

Science Club: Engineering. Kids can build structures from a variety of materials (all materials provided) and see why they stand or fall!

Teens (ages 13-17)

Anime Club: Manga Collage. Make collage projects with recycled manga. A button maker is also available!

Teen Jam Session: Bring your own instrument or use one of ours to share music with other teens. Summer Reading program.

Teen Tuesday: Art Studio. Use a variety of materials to make a unique work of art. Materials provided free or you can bring your own. Summer Reading program.

Teen Tuesday: Improv Workshop. Instructor from Blacktop Comedy will introduce improv games and acting exercises. **Registration recommended.** Summer Reading program.

Teen Video Gaming. Play Wii games on the projection screen or play online games on laptops provided by the library. Free snacks and drinks available for this teen Summer Reading program.

Adults

AARP Workshop: Achieving Financial Freedom. We'll talk about the importance of understanding your credit and strategies on how to improve your credit as well as how to reduce and manage your debt. We'll also cover how to understand your credit score and your credit report, including how to check it each year and what to look for when reading the report. **REGISTRATION REQUIRED.**

Coffee, Donuts and a Movie: "Abbott & Costello in Hollywood" (1945, 84 min, Warner). Bring a friend for a classic movie, fresh donuts and hot coffee or tea plus a lucky winner gets to take home a new DVD of the movie! In "Abbott & Costello in Hollywood", two barbers wind up becoming agents for a very talented but totally unknown singer, so they stage a fake murder to drum up publicity.

Meet the Computer! Ready to learn how to use a computer, but unsure how to start? This one-session class covers all the most basic skills needed to use a computer. No previous experience necessary and no registration required.

Salads & Dressings: "Build It Better" program presented by The Seasoned Vegetable. Adults 18 and over will explore flavor, texture, and balance of dishes by building customized salads and unique dressings. Learn to mix and match with what you have on hand. Summer Reading program. **REGISTRATION REQUIRED.**

Second Saturday Art: Mixed Media. Adults 18 and over are invited to explore the use of various supplies to make an art project to keep. This month, create a work of art using a variety of materials including paint, ink, rubber stamps, collage, and texture techniques. **REGISTRATION REQUIRED.**

Tuesday @ the Movies: "Arrival" (2016, PG-13, 116 min, Paramount). Join us for a contemporary afternoon movie on the third Tuesday of each month. "Arrival" is the story of a linguist (Amy Adams) who tries to communicate with aliens who have arrived at various locations on Earth.
