Agenda Item 15.0: Final Budget FY 2014-15

**TO:** Sacramento Public Library Authority Board

**FROM:** Denise M. Davis, Deputy Library Director

**RE:** Final Budget FY 2014-15

**RECOMMENDED ACTION:**

**Adopt** Resolution 14-40, approving the FY 2014-15 Sacramento Public Library Authority Final Budget

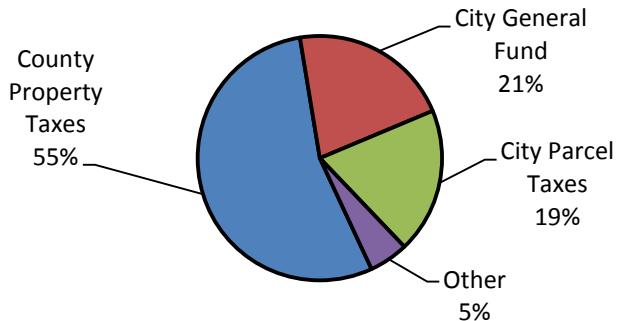

**FY 2014-15 FINAL BUDGET**

This budget document highlights budget changes identified since the Proposed Budget was adopted in May 2014.

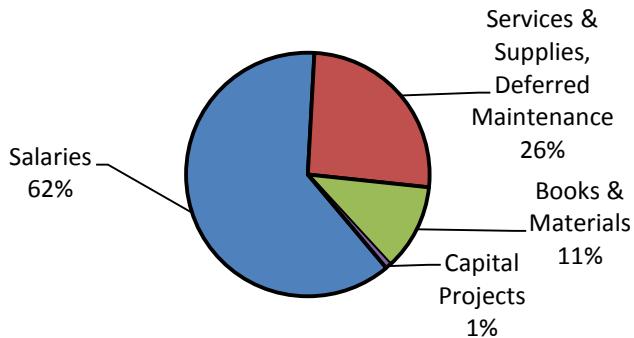

**Sacramento Public Library Budget Summary – FY 2014-15**

The Authority's proposed final budget for FY 2014-15 for all services, support and operations is \$36,616,204. The following charts provide an illustration of the FY 2014-15 proposed final budget.

## **Revenues**

## **Expenditures**

Since the beginning of the economic downtown in FY 2008-09, Library staff has been extremely creative and willing to sacrifice in order to cut costs, while at the same time providing award-winning services. The passage of Measure B provides sustainability for the 12 Library locations in the City of Sacramento. The improving economy also allows staff to think about improving public services in county branches. This would be accomplished through a combination of using enhanced revenues and the Library's fund balance to restore open hours and significantly increase books and materials. Total revenues in all funds are \$35,873,160, reflecting an increase of \$3,485,000 from the prior May approved Budget. Total expenditures in all funds are \$36,616,204, reflecting an increase of \$2,732,204 from the May budget. Using \$743,043 in fund balance allows the Library to increase its commitment to serving the public and improve services that have suffered an acute decline these past five years.

Attached to this report are Summary Schedules (Exhibits A-1 through A-6), which provide an overview of the Authority's Final Budget for FY 2014-15, including detailed summaries that outline anticipated revenues and expenditures for FY 2014-15 (Exhibits A-3 and A-4) in the County/Cities Fund, and the City of Sacramento General and Parcel Tax Funds.

### **Revenues**

The vast majority of Library funding comes from three primary sources:

- |  |     |
|--|-----|
| • Property Tax revenues in the County/Cities             | 55% |
| • General Fund contributions from the City of Sacramento | 21% |
| • Parcel Taxes on parcels in the City of Sacramento      | 19% |

The remaining 5% of funding comes from fines and fees, investment earnings, the Galleria and donations. Exhibit A-3 provides FY 2014-15 revenue details by fund source, with comparisons against the FY 2014-15 May Budget.

The net result of changes in revenue figures is a total projected increase of \$3,485,000 reflecting the following:

• County/Cities Property Taxes	\$ 1,550,000
• City Parcel Tax Measure X	\$ 25,000
• City Parcel Tax Measure B	\$ 1,900,000
• Other Revenue	\$ 10,000
<b>Total Revenue Increase:</b>	<b>\$ 3,485,000</b>

The County Assessor advised library staff to expect a 6% (over FY 14 actuals) increase in property taxes in FY 15. The net result is a \$1,550,000 increase over the May budget.

City of Sacramento Measure X Parcel Tax revenues are projected to increase an additional \$25,000 due to a slightly higher than anticipated CPI increase of 3.0% released in June.

The City of Sacramento Measure B Parcel Tax passed in June. Revenues are projected at \$1,900,000.

Staff has increased FY 15 passport revenues by \$10,000 based on FY 14 performance.

Other revenues include grants and miscellaneous funds received by the Library Authority. The Authority's practice is to recognize grants and donations as they are received during the year, since they are not predictable from a budgetary perspective. Staff will present gifts, donations and grants to the Authority Board for inclusion in the FY 2014-15 Budget as they are received/awarded.

#### County/Cities Budget Unit

The County/Cities budget unit utilizes property taxes collected in the unincorporated areas of the County and within the cities of Citrus Heights, Elk Grove, Galt, Isleton and Rancho Cordova. These funds finance the operation of 16 branch libraries. Additional revenue is realized from fines and fees, interest income and the Sylvan Cell Tower.

As shown in Exhibit A-3, this budget unit's revenues increased \$1,550,000 from May to \$20,075,000.

The County/Cities fund reflects an overall expenditure increase of \$1,745,729, or 9.1%, from the May Approved Budget. Of that amount, \$1 million is earmarked for building improvements and furniture refresh at the County/Cities branches. Budgeted building improvements and furniture refresh funds not spent in the 2014-15 fiscal year will be classified at year-end as "Assigned Fund Balance," to start establishing a reserve for future building improvement costs. Staff was very frugal during the past five years, preserving as much fund balance as possible and enabling staff to responsibly use \$803,232 (Exhibit A-2) in fund balance in the County/Cities budget in FY 2014-15.

No Supplemental Funds will be available for distribution to member jurisdictions in FY 2014-15. Continued restoration of services and the possibility of Supplemental Funds distribution in FY 2015-16 will be evaluated based on actual funding.

#### City of Sacramento Budget Unit

Sacramento voters approved the Library parcel tax known as Measure B by a 73% margin in June. The City of Sacramento budget unit utilizes revenue from two sources: the City General Fund and funding received from taxes levied on parcels within the city limits. These revenues support the operation of 11 library branches located in the City of Sacramento, plus the Central Library. Additional revenue is realized from fines and fees, interest income and the Library Galleria.

As shown in Exhibit A-3, revenues in the City of Sacramento's two parcel tax funds increased \$1,925,000 since May. The Measure X parcel tax increased \$25,000 due to a slightly higher than anticipated CPI increase of 3.0% in June. Revenues from the newly approved Measure B parcel tax are projected to be \$1,900,000, but revenues will not be generated until January 2015. The use of fund balance in the amount of \$871,921 (Exhibit A-2) is necessary in the City General Fund because current contribution levels are insufficient to fund the cost of operations.

Expenditures in the City of Sacramento Fund reflect an overall increase of \$363,430, or 4.1%, from the May Approved Budget, with decreases in salaries offset by increases in services and supplies, capital projects, deferred maintenance and shared cost allocation expenditures. The deferred maintenance increase represents the "Assigned Fund Balance" carryover of unspent FY 2014 funds for the Galleria (\$53,987) and City of Sacramento branches (\$45,850) plus the Galleria's FY 14 net revenues (\$95,830) earmarked for deferred maintenance.

The Measure X parcel tax was originally intended, without limitation, for additional library services such as open hours, technology, books and materials, and staff, including youth services librarians. To that end, staff is moving nearly all services and supplies and all salaries, except those for youth services librarians and technology assistants, to the new Measure B parcel tax. An additional \$200,000 will be spent on books and materials. Staff will hold 10% of Measure B revenues, or \$190,000, in economic uncertainty reserves. The remaining amount of \$177,920 will reduce the use of fund balance in the City General Fund. (Exhibit A-5)

#### Shared Cost Budget Unit

The Shared Cost Fund functions as an internal service fund, and is determined through a comprehensive cost allocation plan that is updated annually. The fund collects the common costs for operating and administering the Library organization that are then distributed to the operating funds through the cost allocation plan. The FY 2014-15 expenditures minus miscellaneous revenue within the fund is \$12,812,259 which is an increase of \$424,215 or 3.8% from the May Approved Budget. As shown in Exhibit A-4, the total Shared Cost budget is allocated as follows:

- County/Cities Fund \$7,687,355 or 60%
- Sacramento City General Fund \$3,074,942 or 24%
- Sac. City Parcel Tax Fund (X) \$2,049,961 or 16%

Revenues of \$173,000 are directly attributed to the fund from cost recovery in the amount of \$118,000 for IT support to partner libraries using SPL's Sierra catalog; and, \$55,000 for passport services.

A slight increase in services and supplies and an increase in salaries driven by the creation of a few new management positions, plus additional on-call support to improve public service, result in a net increase in expenditures of \$424,215 from the May Approved FY 2014-15 Budget.

#### Budgeted Positions/Position Control

In order to plan for improved hours and services, it is necessary to rebuild staffing infrastructure lost during the economic downturn. Staff is recommending the addition of three (3) FTE Library Services Assistant positions to work in multiple locations throughout county libraries (four positions at .5 each and one full-time position) and two .5 FTE Library Services Assistant to provide this same flexible support in City libraries. These positions will provide critical support necessary to stabilize services in library branches.

Passport services at the Central Library have resulted in the ability to improve staffing without using the General Fund. Staff recommend increasing an existing .5 Library Services Assistant position to 1.0 FTE, funded in part with passport revenue.

Staff are recommending the restoration of the Community Services Manager and the addition of a new position, Communications/Virtual Services Manager, to oversee the Library's rapidly growing virtual services department.

#### Fine and Fee Schedule

Staff are recommending no changes to the Fine and Fee schedule at this time.

### Future Challenges

Despite the recent approval of parcel tax Measure B, the major challenge facing the Authority is City of Sacramento funding. City parcel tax Measure X, which provides 34% of City contributions, is set to expire in June 2016, less than two years from now. If the measure to continue the parcel tax is not approved, the City's General Fund contribution would need to increase commensurate with the Measure X parcel tax amount in order to maintain the 12 City branches at current service levels. City of Sacramento branches continue operating within 2003 General Fund funding levels, ultimately requiring increases in the General Fund contribution regardless of a renewed parcel tax.

Staff will present recommended Mid-Year Budget adjustments for FY 2014-15 in early 2015. This Mid-Year Budget will include updates on funding from the County and the City of Sacramento, as well as refinements to expenditure amounts as a result of cost-saving measures.
